Re: MUR 5819

Attn: Mr. Jeff S. Jordan

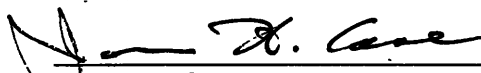

Gentlemen:

I am responding to your letter of November 1, 2006, in which you enclosed a CD containing a message that was apparently sent by automated voice telephone to someone and recorded by the recipient.. The original Complaint alleged that the U.S. Chamber of Commerce sent an automated voice telephone message to a resident of Hawaii named [redacted] on September 15, 2006, which message violated Federal Election Commission rules. This CD is apparently a second automated voice telephone message.

We replied to the original complaint by our letter of October 3, 2006. We are enclosing a copy of that earlier letter on which I had personally noted that it was mailed to you on October 3, 2006.

Nowhere in the original Complaint did it claim that the Case for Senate campaign was involved in any way in this matter. The Complaint appeared to be directed entirely against the U.S. Chamber of Commerce and not against Congressman Case. Both the original automated message and the CD state clearly as follows: "This message was paid for by the U.S. Chamber of Commerce. Thank you."

Thank you for forwarding us the CD, but we feel that this matter is one between the Federal Election Commission and the U.S. Chamber of Commerce.

  
James H. Case, Treasurer
